

# A TRUSTED PARTNER

## FOR YOUR DIGITAL TRANSFORMATION

### CORPORATE OVERVIEW

SerendebYTE, a TTEC Digital company, is a digital transformation services provider that helps companies transform their operations in four main areas – customer service, sales process automation, marketing automation and operations / compliance. We help customers achieve their business goals by partnering with Pegasystems, which is one of the top business applications software vendors. We work across a wide range of industries from financial services to healthcare, insurance, tele-communications and manufacturing.
